Dear Sir: CITY CLERK

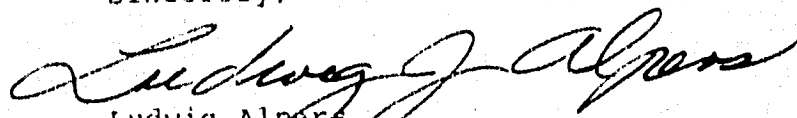

Over the years you have heard and read a great deal about the Church of Scientology.

We of the Church would like to give you an opportunity to find out for yourself why millions of Americans claim that Scientology (applied religious philosophy) has changed their lives and helped them achieve the HAPPINESS and FREEDOM OF CHOICE they have always wanted.

Enclosed is a cassette recording entitled "Can We Ever Be Friends" in which ministers of the Church of Scientology describe the Church for people who are not members of the Church and know very little about the Church. This cassette is a gift to you so that you can judge for yourself what Scientology really is.

We do hope that you enjoy it. Should you have any questions or want more information, please feel free to fill out the enclosed "Get More Information" card. We will be happy to answer any questions you might have.

Sincerely,

Ludwig Alpers
Public Relations Director
